

# Marketo Migration

ACCELERATE YOUR ROI WITH MARKETO ENGAGE

Migrating to the most user-friendly, revenue-driving Marketing Automation Platform, has never been easier. With experienced experts guiding you each step of the way, your transformation will go smoothly, so you can quickly get back to driving your business results. Our focus is ensuring you and your team are confident with the set-up of your instance, are trained in Marketo and positioned for success.

It's normal to be at the place where you have outgrown your existing automation platform. Every year thousands of companies migrate to Marketo Engage to help in every area of marketing automation from driving engagement to measuring marketing's contribution to revenue.

It can be a daunting task thinking about moving all of the hard work you've put into your current automation platform. But remember, you are leaving it because it didn't do what you needed it to do. Migrate now, to Marketo Engage.

---

## MIGRATION PROGRAM FEATURES

**Migration Strategy** Leadous has vast experience in successful migrations from many platforms. We will guide you through your entire set-up, including your CRM integration, determining your project management process, technical backend support and dedicated best practices outlined for the team. Putting your plan in place with our experts will set you up for success.

**Implementation and Training** For your business timing is everything. Leadous will lead your Marketo Engage set-up with experienced experts who can quickly get you up and running. Our priority is to ensure your team is trained and ready to leverage Marketo Engage to drive your business results.

**Migrating From Your Old Platform to Marketo Engage** Our experts will help you design a migration strategy that speaks to your business needs from properly archiving important assets to building campaigns in Marketo Engage. Whenever you are changing your process or introducing something new, you want to have complete confidence you are set-up correctly. Leadous will test everything with your team from new landing pages and forms, to email programs and auto-response communications.

**Ongoing Support** In many cases clients look for an additional push to get them further along. Whether it be scoring campaigns and lead lifecycle, or getting all previously set up campaigns architected and running, Leadous migration experts get you to a return on your investment and value quickly. You tell us what extra lifting needs to be done and we'll execute.

**Results** As with all things automation, it's about the results. And results have been the key to Marketo Engage becoming the most powerful automation platform in the market today. Determine your baseline, run campaigns, get your results and iterate to constantly turn the dials increasing engagement and converting leads. And if you purchased Bizible, measuring your marketing contribution to revenue.
