FREQUENTLY ASKED QUESTIONS

What roles do we fill?

We focus on marketing automation roles that require platform specific experience.

What is Leadous' fee structure?

The fee structure is based on the type of resource you need. The temporary placement has an hourly fee. Temp-to-hire has an hourly fee and a percentage of the annual salary for the position based on the number of hours worked. Permanent placement fees are based on a percentage of the first-year annual salary.

What is the resource type Leadous provides?

Leadous provides temporary, temp-to-hire, and permanent talent that matches clients' needs.

What do we need to prepare?

Leadous will help you walk through the process. Helpful things to think through in advance include what skills will be required, how long you need the resource, and your budget - and if you have a job description, all the better.

How do I know this service is right for us?

If you have a gap in marketing automation that is focused on automation and have not been able to identify a resource then this service is right for you. Leadous will leverage relationships with automation professionals from around the nation to provide the best candidates.

How quickly can we hire?

Leadous will work as fast as needed by clients. Oftentimes, clients will leverage a Leadous consultant throughout the process so they don't lose any time or money in their initiatives forward.
